1315 Weise

At 1:14 PM, the Green Bay Fire Department was dispatched to a report of smoke coming from the rear of a 2 story, 2 family home. The report was a house behind an address on Doblin, which turned out to be 1315 Weise. Initial crew on scene was told by a bystander that they thought there was someone inside on the second floor. This turned out to not be the case. No one was inside, so efforts turned to fire control. An attack was made on the fire and was quickly extinguished. Overhaul revealed no fire extension to the attic or other hidden spaces. The Green Bay Fire Department was assisted by the Green Bay Police Department, WPS and the Brown County Arson Task Force. There were no reports of civilian or firefighter injuries. About \$85,000 of property were protected by efforts of the GBFD. The GBFD Marshall's office is treating this incident as suspicious at this time and remain on scene investigating.
