

The City of Green Bay and Sustainable Green Bay present:

ENERGY SOLUTIONS SERIES

Each month a Solutions Series workshop will be held for Green Bay homes and businesses. Join City staff, experts in the field, and your peers to discuss energy solutions and opportunities.

JOIN US FOR: BUSINESS SOLUTIONS
WEDNESDAY, DECEMBER 15
11AM-12NOON, 5PM-6PM
CITY HALL ROOM 207

Topics Covered: Renewable Energy, Business Energy Assessments,
Financial Incentives Available

Jennifer Pollitt, City Sustainability Coordinator, and local experts will lead the presentations on energy solutions available to businesses. This workshop will focus primarily on high density area businesses including retail and restaurants interested in making energy efficiency improvements. Apartment or Condo owners are also welcome to attend.

Please RSVP to jenniferpo@ci.green-bay.wi.us so we can better prepare for your individual business' needs and opportunities.
