4th of July Fire Over the Fox

One of the most popular summer celebrations in Wisconsin is our Fire Over the Fox 4th of July celebration. The day starts at noon on the courthouse lawn with tributes to our veterans and serving military, a symbolic ringing of our replica Liberty Bell. Daylong events follow featuring ethnic and traditional food, music, kids events and water shows on the Fox River. The day is capped off with a fireworks spectacular enjoyed by countless spectators lining both sides of the river.

"Green Bay lives large in the hearts of people across Wisconsin and the United States of America. And just as the Green Bay Packers won their city the nickname "Titletown, USA" the people of Green Bay have made it a place where pride, hard work and commitment will always feel at home."

Jim Doyle, Governor of Wisconsin
