

Green Bay
Entertainment

There's something to do for everyone in Green Bay, any season of the year. Strolling or biking along one of our many trails, several of which run along the Fox River, is a popular activity. From here, people sit to watch the river traffic and the waterfowl activity. Others enjoy a day at the Lambeau Field Atrium which houses the Packer Hall of Fame, Packer Pro Shop, and several restaurants. Dining downtown in our fine eating restaurants or meeting friends for a cocktail can end a busy day. Families enjoy the many festivals which occur in downtown Green Bay beginning in early June and ending in late August.
