

Green Bay

International Bayfest

This three day annual event has entertained millions and the rich tradition continues downtown Green Bay along the banks of the historic Fox River at Leicht Memorial Park festival grounds. The event features four stages of continuous entertainment with music, song and dance. An array of food with special emphasis on ethnic cuisine is offered on Gourmet Alley. The festival presents children's activities focusing on traditional crafts from countries around the world. The Market Place offers imported good and speciality items and capping off the day, the Oneida Nation of Indians boat parade features boats decked out with inspiring decorations and colorful lights illuminating the Fox River.
