## Green Bay

### *Taste of Broadway*

Food, food, and more food! What can be better than that? The On Broadway District celebrates the tastes and sounds of the district each year with its "Taste of Broadway". District businesses line Broadway for blocks offering their specialty foods and microbrews. Music abounds and the aroma of the treats surrounds the area. Taste a little American cuisine, or the delicious offering of Thai, Hmong, Mexican, German, French and more! Wash it down with ales from the breweries in the district while listening to live music.

Come visit us! It's All Here!
