Excerpt for City of Green Bay Plumbing Code.

Section 16.06 Permit must be procured before starting work: If any work regulated By the Plumbing Ordinance for which a permit is required is commenced without a permit first having been obtained thereof, double the permit fee herein prescribed shall be paid when a permit finally is obtained. Payment of any fee mentioned in this Section, however, shall in no way relieve any person of the penalties that may be imposed for violation of the Plumbing Ordinance.

EACH FIXTURE ROUGHED IN OR INSTALLED \$5.00 MINIMUM FEE \$30.00

Sanitary Sewer	\$30.00
Storm Sewer	\$30.00
Water Service	\$30.00
