

# BLOCK PARTY

Hello Neighbors on \_\_\_\_\_  
(enter street name)

You are invited to a Block Party for all the residents of this block!

**Day/Date** \_\_\_\_\_  
**Time** \_\_\_\_\_

We will have a permit from the city to close off the street for part of the day. The street will be closed from approximately \_\_\_\_\_ (enter times for street closure if different from times given for the party). Please bring a side dish or salad to share. Burgers, beverages, paper and plastic ware will be provided.

This will be a great opportunity to get to know each other and have some fun! We will have some games for children. Anybody want to sing or dance or play a musical instrument?

Let me know if you have ideas, questions, or thoughts on the event.

I will be coming around to get your signature for the street closure.
